FRENCH BROTHERS HAVE NO INVOLVEMENT WITH THE BOOKING. If you are running late for your trip, please call your daily skipper (or Senior Skipper Lucy Herbert on 07599 295 544) We may not be able to overstay our allotted time on the jetty.

Parking and Boarding;

Please allow plenty of time, as there is no guaranteed parking at the Windsor boarding point. Your group may have to be dropped off before moving vehicles to a near-by car park. If the driver is coming on the trip as one of the carers, please ensure they are present for the boarding procedure.

Wheelchair access from the drop off point to the boat is marked with a red dotted line on the map.

Please ensure your entire group is waiting by the riverside, ready to begin boarding, 15 minutes before the trip start time.
