Take Meadow Road and follow it all the way to the end where you will find parking spaces in front of the museum building. if you are a blue badge holder you can park for free in the disabled bays. The ideal bay is next to the path that leads you to the boat and is marked with a wheelchair symbol on the map. **We regret, there is no longer free parking available in the museum carpark.**

As we are sharing the jetty with other boat operators, we are required to stay within our pre-arranged boarding times. If you are running late, please call your skipper. All passengers must be waiting on the jetty ready to board the boat, 15 minutes before the trip start time. Carers / support staff will be required to assist all members of their group during the boarding process.
