

2026 Sponsorship Opportunities

Can your business help support The Rivertime Boat Trust? Here are just a few of the ways you can get involved and make a lasting difference for our disabled and disadvantaged passengers.

The Rivertime Boat Trust was formed in 2006 and delivers trips on the Thames for disabled and disadvantaged children and adults on our specially adapted wheelchair accessible motor cruiser. In 2025 we had our busiest ever year with over 2500 people coming aboard!

Now you have a chance to be part of our story...

Make The Rivertime Boat Trust your nominated charity of the year!

Take on a challenge and have some fun whilst raising vital funds to help support our work. Whether it's climbing a mountain, running a marathon, completing a virtual walk of the Thames in the office or something completely new your team will reap the rewards, not just by making a tangible difference to others but by having some fun, growing their teamwork and sharing a common goal to do some good! We'd love to hear your ideas of what you might be able to do!
